7 STAR MOON™

EXCLUSIVE HARDWARE FITTINGS

Brass

Flow With

Elegance

About Us

Moon is a trusted brand in the architectural and furniture hardware industry, offering a refined range of Cabinet Handles, Main Door Handles, Tower Bolts, and Furniture Fitting products. Every product is manufactured using premium-grade Brass, Stainless Steel, and Aluminium, ensuring lasting strength, corrosion resistance, and a finish that stands the test of time.

Our journey began in 2001 with the establishment of our manufacturing base, driven by a commitment to precision engineering and quality craftsmanship. In 2012, this manufacturing expertise was shaped into the Moon brand, giving our customers a name they could trust for design-forward, durable hardware. In 2018, we strengthened our reach by establishing a dedicated depot in South India, bringing our products closer to customers across the region and enabling faster, more reliable service.

Today, Moon is backed by a strong two-pillar structure: manufacturing excellence from Paras Enterprise in Jamnagar, Gujarat, and dedicated marketing and distribution through Uma Hardware (India). Together, this partnership allows us to combine consistent product quality with wide market accessibility.

Our Journey

2001 - Manufacturing operations established, laying the foundation of our craftsmanship.
2012 - The Moon brand was officially developed and introduced to the market.
2018 - South India depot launched to expand distribution and improve customer reach.

Our Vision

To be a nationally recognised and trusted hardware brand, known for setting new benchmarks in design, durability, and craftsmanship — and to be the first name customers think of when it comes to premium Cabinet Handles, Door Handles, Tower Bolts, and Furniture Fittings.

Our Mission

— To manufacture high-quality hardware products in Brass, Stainless Steel, and Aluminium that combine durability with elegant design.
— To continuously innovate our product range in line with evolving architectural and interior trends.
— To maintain strict quality control at every stage of manufacturing, from raw material selection to final finishing.
— To expand our depot and distribution network so that Moon products are accessible across every region.
— To build long-term relationships with dealers, architects, and customers based on trust, consistency, and after-sales support.
